

# Top 10 Questions about Small Group Connections

Thanks for your interest in our upcoming Small Group Connection!

Guess what? You're not the only one with questions! We get asked questions all the time.

Here are some of our most frequently asked questions:

1. **What happens at a small group connection?** Connections are about starting new small groups! We say "give us an hour and we'll help you get connected" because 99.9% of the time, when you leave the room you will be connected with a new group. You'll also feel more connected than ever at Canyon Ridge!
2. **What *actually* happens at a small group connection?** We spend 5 to 10 minutes helping everyone settle into a group that fits them and then the next 45 to 50 minutes guiding a conversation that helps everyone begin to get to know each other.
3. **Can I bring my children?** We provide free childcare for children 12 and under at our small group connections.
4. **How long does a small group connection last?** Our small group connections last about one hour. We'll always suggest that you arrive 10 minutes early so you can check children into childcare, find the room, and get checked in. But once the connection starts...it's about a 60 minute event.
5. **What kinds of groups get started?** Currently, we're starting new groups for married couples, men's groups and women's groups.
6. **How often will these new groups meet?** Our newest groups meet weekly.
7. **Where do these new groups meet?** Small groups meet in homes and apartments, coffee shops, restaurants, offices, and just about everywhere else.
8. **How long does a small group meeting last?** Most small group meetings last 75 minutes to 2 hours.
9. **What happens at a small group meeting?** Small group meetings are usually a combination of several things: (a) A Bible study and discussion, (b) prayer, and (c) hang out time before or after that involves chips and salsa (or some reasonable facsimile).
10. **How many weeks is the study we will be using?** Most of the studies we use to start new groups are 6 to 8 weeks long.
